THE HOMAGE OF JUSTICE. We have compiled, from various sources, the

following disinterested testimonials, which were commanded from their several authors by the los ty patriotism, valor talents and success of Gen HABRISON, long before he was named for the Pro sidency, and in times which ought to give then weight sufficient to bear down all the petty calum nies and quibbling objections which party malig nity may now presume to forge against the war worn and time honored patriot and soldier.

The authorities we present against the puny attacks of Loco Foco Federalism, and which w shall stereotype as an impregnable barricade a gainst all opposition, are no less than the Con-GRESSOF THE UNITED STATES, the LEGISLATURES OF INDIANA, and of KENTUCKY, JAMES MADI-SON, JAMES MONROE, COL. In Mr. Manison's message of Dec. 1813, the empliment was extended, as follows:

The success on Lake Erie having opened a pas sage on the territory of the enemy, the officer com inding the Northwestern arms, transferred the war thither, and, rapidly pursuing the hostile cers, of those who held them, I have, in pursu troops, fleeing with their savage associate, forced ance of the power vested in me by the constitution, a general action, which quickly terminated in the capture of the British, and dispersion of the savage
